

MEDIA STATEMENT

For Immediate Release – October 12, 2021

Living Sky School Division and Light of Christ Catholic Schools Implement Vaccination Administrative Procedure for all staff members.

NORTH BATTLEFORD – October 12, 2021 - Living Sky School Division and Light of Christ Catholic Schools will soon be implementing a Vaccination Administrative Procedure that will require all staff members to provide either proof of vaccination or recent negative COVID-19 testing status.

Information was shared with staff members from both Divisions on October 8th, 2021. Details of the administrative procedure are being finalized and more information, including the implementation date, will be available by the end of the week.

Students and parents will continue to follow the Safe School Plans. Copies of the plans can be found on the respective Division websites.

The development of a Vaccination Administration Procedure is Living Sky School Division and Light of Christ Catholic Schools' response to Province-wide vaccine or test requirements that were implemented on October 1, 2021. Similar requirements have already been implemented, or are in the process of implementation, for many Saskatchewan School Divisions.

We take the safety of our students and staff seriously. As responsible employers and citizens of the province of Saskatchewan, we are committed to protecting the health and well-being of our students, staff members, and communities.
