COVID-19 Cases in Living Sky School Division

A case of COVID-19 was diagnosed in an individual in the following schools between May 17-23:

- Macklin School (2 individual cases)
- North Battleford Comprehensive High School (1 case)

We are working closely with Public Health staff to ensure necessary measures are in place to protect all students and staff.

Any individuals who were in close contact have been notified with directions. Following the division's health and safety protocols, the schools have received a deep cleaning/sanitizing and will remain open at this time.

Our school plans contain many important measures to decrease the risk of COVID-19 entering schools including promoting proper hygiene, implementing mask wearing, maintaining cohorts, and asking students and staff to stay home when experiencing any COVID-19 symptoms.

We remind everyone entering schools to monitor for any signs or symptoms of COVID-19. If you/your child has any symptoms of COVID-19, please call HealthLine at 811 and remain at home. For further information regarding COVID-19, please call Health Line at 811, and/or visit the Saskatchewan Ministry of Health website at www.saskatchewan.ca/covid19.

We wish the members of the LSSD family a speedy recovery. To protect the privacy of the individuals, no further details are being shared at this time.
