Macklin School Returns to In-School Learning

Under advisement of the Regional Medical Health Officer, Macklin School students returned to face to face learning on Friday, May 14th as planned.

Students and families engaged in online learning alongside teachers and support staff since moving to Level 4 on April 29th. It has been encouraging to see and hear of ways students and staff creatively continue to learn.

Due diligence around COVID safety protocols will support students as they return to regular classes.

We all have shared responsibility to maintain a safe and healthy environment. All caregivers and students are asked to follow safe COVID protocols with regards to hand washing, frequent sanitization, wearing masks and limiting exposure outside of your family home. Please help us to keep everyone in our communities safe by following these protocols.

We remind everyone entering schools to monitor for any signs or symptoms of COVID-19. If you/your child has any symptoms of COVID-19, please call HealthLine at 811 and remain at home. For further information regarding COVID-19, please call Health Line at 811, and/or visit the Saskatchewan Ministry of Health website at www.saskatchewan.ca/covid19.
